History of Senior Class

On a bright September morn in 1946, seventy-five new students timidly took their seats under the balcony for an assembly. Only a few months before they had proudly, almost with arrogance, paraded across some stage to receive their grade school diploma. Gone now was their pride, displaced by dependence, uneasiness, and even shyness.

As that year, 1946-1947, progressed we tasted of high school life, even entered into it. The sports, music, dramatics and other activities were now part of us, and we a part of those activities. Quietly we moved through the halls, drawing little attention, and inwardly envying the upper classmen. And then the year was done.

The fall of 1947 brought back sixty-seven of us, including some new ones, but we were very much elated over the fact that we were no longer "Freshies." We soon felt, however, that we weren't really bigshots. We still had to climb higher. But the school life and activities became more dependent upon our class and the year passed all too swiftly.

And at last we were juniors. Just to prove it, we flashed our new class rings in everybody's face, and went our way. It was really a big year with the magazine sales, the junior play, and some of our boys becoming star athletes, to say nothing of the budding young musicians. It was a grand year with a grand ending, for we are all quite sure that the prom we gave the senior class was the grandest prom ever given.

Strangely enough in the fall of 1949 nobody felt any different. The activities came and went with mounting rapidity. Football, basketball, and track, music festival and music contests, speech contests, plays, the carnival, and variety show, the "Buffalo," dances, parties, even examinations whizzed by and then we realized that it was almost all over. The prom, given for us, the last school dance, our trip, baccalaureate, and commencement. Somehow we had no arrogance that night, and we weren't quite sure what was happening. But with pride and tears each one passed by to receive his diploma, and paused a moment, when it was all over, to thank Almighty God, for four glorious years.

MONDAY—Our beautiful new, Old Gym was opened today with an overflowing crowd attending the premiere for lunches. I think the Student Council and the Danville Community gave a hand for it. Clap, clap, clap!

TUESDAY—We saw Catlin in the first game of the regional basketball games at the Danville Gym. It sure is cold outside, but everyone was warm.

WEDNESDAY—March fool, as Dean Rice said this morning. The seniors served lunch today and we had a fair way to raise money for the king. They're ahead, any way. Hurrah! Our seniors pulled the socks off Catlin last night. We get out at 3 o'clock for the teachers' meeting.

THURSDAY—We had a pep meeting at 11:30 which might be our last of the year, but let's hope not. Mr. Schuler, gave our boys a nice build-up. Mr. Look and the squad sat on the stage so that we could get a good look at the team that is not afraid of Danville. Let's show 'em. A bus will be taken. The freshmen sold candy, cake, and cocoa today.

FRIDAY—Boo! Hoo! Guess who won. Danville beat Oakwood tonight for the championship after they beat us 81-49. Attention, Seniors! One week until the Senior Revue. Surprising how time flies.

MONDAY—Mr. and Mrs. Schuler have gone to St. Louis, so Mr. Norman from Danville is in charge. Poor Miss Rees certainly has a lot to do. As members of the Danville-Louisville Club, we are in the state No. 1.

TUESDAY—Threats of rain have not kept you out of your cottons! Stop at 11:36 P.M., Eastern Standard Time. On second thought, keep your sweaters and rubbers, since it is wet and chilly. (Note from yesterday that I am not.) We are absent another couple known to the school body as C. H. and R. T. Tsk! See you in a week.

WEDNESDAY—Our Revue King, Doyne Lenhart, had some bad luck with his car last night on the road to Indianola with Dixie Neubert. Too bad! The school periods were changed around today. (Miss Rees—)

THURSDAY—It's a beautiful day! They always say, "In spring, a young man's (or woman's) fancy is to thoughts of love." Congratulations, Von Del.

FRIDAY—Mr. Schuler gave the awards like the trip to the State Contest. The winners were: Clarinet quartet, the twirling ensemble, a clarinet solo by Bill Smith, three vocal soloists, Lois Tucker, Jewel Sheets, and a piano solo by Richie. Good luck!

SATURDAY—The students at the contest did pretty well with in every division. Mr. Schuler gave the awards to the assembly: the brass sextet; Don Richie, piano; the Twirlers; and Jewel Sheets, got first prize. The G.A.A. served hot lunch. I think it would be a good idea to have a similar event next year.

TUESDAY—It's rather hot today at school and I like the weather. Some of the teachers are saying, "Let's hope for a good winter." I guess winter isn't too far off.

WEDNESDAY—A very good day and fine weather. The school assembly was held on Saturday.

THURSDAY—I forgot to tell you that the All-School Play has started rehearsals. It's called "The Taming of the Shrew." I hear it has a surprise ending. The play is this evening in the gym.

FRIDAY—School assembly was at three for the band and chorus program. Our first track meet is this evening, here with Cayuga. We'll mow 'em down, I bet'cha. Mrs. Humrichous gave a six weeks test in American History, and (that's all brother.)

JUNIOR PLAY

"MURDER AT RANDOM"

The Junior Class presented its annual play, a three act mystery-comedy, on November 18. The play provided laughs, thrills and suspense.

Harold, the average American boy, was heroic in saving the lives of two pretty girls who were held captive by the "Madden Gang." The sheriff, who furnished comedy, added further to the complications and Miss Schultz, the dead woman, came back to life.

The play ended with the "Madden Gang" being impersonated by Broadway actors and Harold, the hero of the play, getting the girl of his dreams.

The cast consisted of:

Mrs. Dinsmore.....	Bettie Nimrick
Betty Austin.....	Marvann Dukes

Courage is a virtue few are born with, but our fighting sportsmen must have had some or the football and basketball seasons would not have been so good. Alone the boys could not have won, for it was through the efforts of our smiling and faithful cheerleaders who brought them the backing of the school and public. These cheerleaders are pictured below in their snappy uniforms and smiling faces.

Football Lettermen

Ronald Grider—Captain, Senior, Halfback, 3rd letter

did the punting and set kicking and a great share of the running. He did them all well. A good steady, dependable athlete who will be missed very much next year

Left

Marcus Thompson—Senior, Guard, 2nd letter

The outstanding lineman on the team, broke his wrist in the Linton game and was unable to play the last two games. A good defensive guard and an effective blocker, won the sportsmanship trophy; a tribute to his attitude

Right

Jack Chantos—Junior, Tackle, 1st letter.

A boy who had a rather unpleasant season as he was shifted from guard, to end, to tackle, which doesn't give any boy too good a chance to develop. Jack is serious-minded and although lacking in speed he did a fair job

Left

George Cornwell—Junior, Center, 1st letter

George was an accurate snapper back, and did a very able job calling defensive signals. He backed up the end on defense with Bodart and it is our belief that this pair of linebackers stacked up with the best

Right

Leland Humrichous—Senior, Fullback, 2nd letter.

"Hammer" developed into a dependable blocker and a good tackling back. He could punt very well and carried the ball quite effectively when called upon. A good pass defense man

John Thompson—Senior, End, 2nd letter

"Johnny" was an aggressive end who could receive passes well and tackle decisively on defense. He loved to play football and was seldom fooled on defense

Right

Joe Bodart—Captain-elect, Halfback, 2nd letter

A driving tackler who plays every minute at his top level. If he learns to avoid tacklers instead of running over them, he should be a good scoring back, the fastest boy on the squad, and a serious threat

Left

Kris Holmes—Junior, Halfback, 2nd letter

did the passing and a good share of the running. A good runner and fairly sure tackler on defense, he has one more year to go and we believe it he can be one of the better backs in the county if he so desires. He called offensive signals quite well

Tommy Smith—Junior, Fullback, 1st letter

Good for a sophomore boy. If he is really serious in his training he will be a vastly improved ball player. He has courage and a good attitude

Football Lettermen

Left

JIMMY JONES—Senior, Halfback, 1st letter

"Jim" was the utility man of the backfield and in handy to have as he knew the signals at all the back. A quick runner and good training boy.

BEARL SPICER, Junior, Tackle, 1st letter

Bearl had difficulty getting We feel that this boy has tackle than he has shown and a real effort on his part will make this a tackle to be feared by all opponents.

Left

LUTHER MORRIS—Senior, Guard, 1st letter

A steady player who never looked flashy but never looked too bad. He lacked speed to pull on offense, but did quite well for his first year.

Right

JACK STEPHENSON—Senior, End, 1st letter

"Jack" waited until his senior year to try out football. A good solid tackler and fair blocker.

Intel

LAWRENCE LAWLESS—Junior, Guard, 1st letter

"Skid" had bad luck in getting a severe knee injury in the Paris game and was lost for the rest of the season. Think he might have been an aggressive defensive ball player had he not been injured.

Left

NORMAN GERARD—Junior, Tackle, 1st letter

"Norm" lacked speed and mobility. He has plenty of courage, but how can you tackle if you can't catch the ball carrier? His lack of speed and agility handicapped his blocking more than his defensive play. He needs to lose 25 pounds and speed up before next fall.

Right

WENDELL PERKINS—Junior, Guard, 1st letter

"Perk" had a hard time getting into the line this season. He has one year to get into the line and guard if he works hard.

Left

JERRY EDWARDS—Junior, Guard, 1st letter

"Jerry" was the smallest man in the lineup. He was a pretty fair tackler, but he lacked speed on offense. There is plenty of courage in this little lad.

Right

BOB KERN—Senior, Guard, 1st letter

"Bobby" had the misfortune to break his leg at the start of the season, while playing sand football. He was greatly handicapped, but he came back into the lineup. A fair blocker and fair blocker.

1949 FOOTBALL SEASON

BUFFALOES STAMPEDE TIGERS 18-0

The Buffaloes opened the 1949 season by whitewashing the Paris Tigers on Paris's gridiron 18-0. The Buffaloes scored all three of their touchdowns in the second quarter. The defensive play by Cornell Ed Thompson and Marcus Thompson was outstanding for Georgetown. Bob Bodart was the leading ground gainer for the Buffaloes.

BUFFALOES 7-URBANA 6

The Buffaloes opened the 1949 home season by defeating a strong Urbana Tiger Eleven. An eighty-eight yard run by Bob Bodart and an extra point kick by Captain "Ron" Grider spelled victory for the Buffaloes.

BUFFALOES TROUNCE CHARLESTON 21-7

The 1949 Buffaloes remained undefeated as they ran around and through an outclassed Charleston eleven. Quarterback Charles Holmes raced sixty-five yards to pay dirt early in the first quarter and Georgetown was ahead to stay as "Ron" Grider kicked the extra point. Grider and Holmes starred for the Buffaloes offensively while Cornell and Bodart did equally well on defense.

BUFFALOES OUTCLASS LAWRENCEVILLE 13-0

The Buffaloes scored on the first play after the opening kickoff and then added another in the first quarter to whip a favored Lawrenceville 13-0. Bodart ran 70 yards to the Lawrenceville 10 on the first play of the game. Three plays lost two yards, but Grider scored from the 12 on an off tackle play. Grider, Holmes

and Bodart stood out offensively while John Thompson and Humrichous were outstanding on the defensive

BUFFALOES SET RECORD

The Georgetown Buffaloes remained undefeated as they won their fifth game in a row before a large homecoming crowd, 21-0. Captain Grider led the scoring parade with 19 points; 3 touchdowns and an extra point. Grider did most of the ball carrying for the Buffaloes while Joe Bodart added a couple of long gains of 55 and 33 yards. Bodart also stood out on defense, playing a linebacker position

BUFFALOES UPSET BY HOOPESTON 7-0

Since all good things must come to an end, the Hoopeston Cornjerkers took it upon themselves to end the Buffaloes good, undefeated record. The Georgetown team played a very close game with the Hoopeston team. Even only one game. Injuries, fumbles, bad weather, and a hard charging, determined Hoopeston line spelled defeat for Georgetown. Georgetown's only scoring threat came in the final minutes of play, but was thwarted when Humrichous fumbled on the John Greer 10 yard line. It was the first time a Hoopeston football team had beaten Georgetown since 1931.

TIGERS CLAW BUFFALOES 7-6

The West Virginia Tigers fought and outplayed the local gridders and upset their ancient foes, 7-6. The teams tackled and blocked hard and thus held each other at a tie game at the half, 6-0 but this meant nothing to the Tigers as the final score shows. Captain "Ron" Grider was again outstanding on the offense with Joe Bodart and George Cornwell the defensive stalwarts. Georgetown finished the season with five wins and two losses

1949-1950 Basketball Season

Georgetown finished the season in 3rd place in the Vermilion County Conference, which consists of 18 schools, with a record of 15 wins and 9 losses.

This team also set a new Georgetown floor record of 105 points and also a new county record.

The reserves won 16 games and lost 7.

Basketball Lettermen

TOM MAUDLIN—Senior, Captain, 3rd letter, Guard

Tom is one of the best captains ever to be worked with in Georgetown. His training, manners, good sportsmanship, and hard work kept the rest of the team striving to equal him in these respects. He won the Free Throw Trophy by making 58 out of 96 free throws for a commendable 60%. He was a good captain of a team. A gentleman always. We will certainly miss Tom and his leadership.

BILL AUSTIN—Freshman, 1st letter, Center

Bill is the first boy in a long time to make the varsity as a freshman. He has much natural ability, especially a very good touch on the ball. His work in track should help him speed up some and as soon as he becomes more aggressive, he will be hard to stop. Bill had his best night against Westville in our second game with them, in which he scored 17 points.

LELAND HUMRICHOUS—Senior, 2nd letter, Forward

Leland was our No. 1 rebounder and second best scorer. No one will ever forget the mental picture of him "shooting" up in the air with his body after the rebounds. He had a very nice pivot shot, and a push shot from the side of the floor. Leland's best night was against Bismarck. He received honorable mention on the all-county team. Leland's rebounding will be missed very much.

JOHN THOMPSON—Senior, 2nd letter, Forward

John was the team's best scorer. He set a new individual record in scoring 33 points against Brocton at Georgetown. He had a specialty of stealing the ball away from the opposing guard. He not only made the guard's face red when he accomplished this several times in succession. On defense, John was a "ball hawk" playing his heart out to obtain the ball from the opponents. He was placed on one of the all-county teams. We will miss his deadly shooting and defensive scrap.

RONALD GRIDER—Senior, 3rd letter, Guard

Ron played the other guard along with Tom. He had his best night against Sidell, hitting his "longs" consistently from all over the floor. A fine boy to work with. Always evened tempered and, win or lose, he always made the best of things. A good rebounder. He received an honorable mention on the all-county team. Ronald's leadership is missed.

DON DALIDE—Junior, 1st letter, Guard

A left "handler" with a very accurate touch on the ball. Don's determination and hard work earned him a starting position on the varsity in the latter part of the season. Don can hit well out in front, and is hard to stop from driving in. If he will work on his change of pace, he should be one of the leading scorers in the county next year.

DOMINIC BILDILLI—Senior, 2nd letter, Guard

A very good ball handler. Dominic was the only player we had who could "thread the net" in the Dansville game. He hit longs with deadly accuracy in this game. He was a very good team man and feeder, often pulling us ahead in a close game. Although handicapped by lack of height, he made up for this with "scrap," for he loves basketball.

JIM JONES—Senior, 1st letter, Guard

Jim was noted for his long shots at guard. Whenever Jim hit a "hot streak" he could hit these longs from all over the floor. He was a hard working boy and very nice to work with. His determination should enable him to succeed in life.

FRANK TUCKER—Senior, 1st letter, Forward

A fast, scrappy ball player. His speed enabled him to lead a fast break down the floor in good shape. A very good competitive spirit, but was handicapped by having missed one season of play. He is one of the most accurate free throw shooters on the team.

BOB GUDALSKAS—Sophomore, 1st letter, Forward

Bob has advanced rapidly. He has a very nice touch on the ball enabling him to score consistently. If he gets out for track and improves his speed for a hard drive on offense and improves his defense, he should be one of our best scorers next year.

JOE BODART—Junior, 1st letter, Center

The most improved ball player on the club, considering it was his first year out for basketball. Joe is a natural in any sport with his speed and physical endowments. Along with this Joe learns quickly and is very seriously trying to improve at all times. With this attitude and hard work, Joe should be one of the best ball players in the county next year.
